

# HOLZHAUS

**EUREF** *Event*★

# LOCATION

## SUSTAINABLE BREAKOUT ROOMS FOR GREAT IDEAS

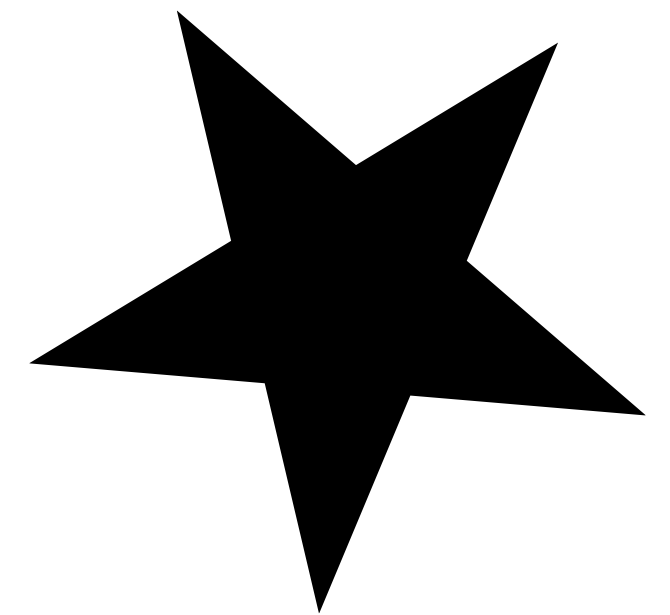

---

The 'Holzhaus' (*wooden house*) is another **green building** on the campus - designed and built with a focus on sustainability and environmental friendliness. The 'Holzhaus' is a **level 40 efficiency house** ("KfW 40"), which requires only 40% primary energy compared to a reference building.

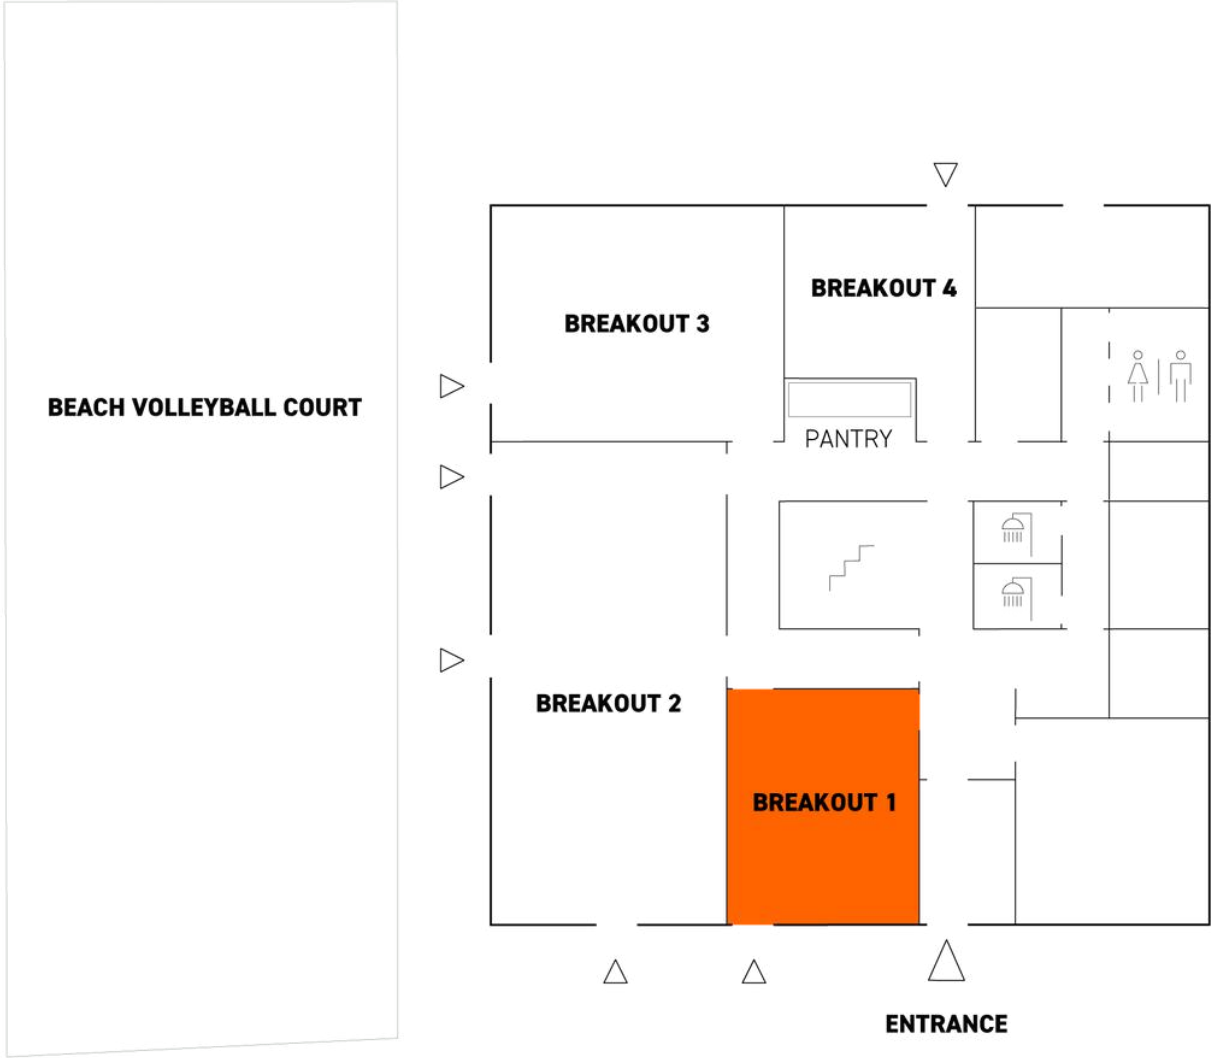

The versatile multifunctional rooms are ideal for workshops, meetings, production offices or artists' dressing rooms. With generous floor-to-ceiling windows, it offers plenty of daylight and an open design that creates a warm and inviting atmosphere thanks to the visible timber structure.

### BENEFITS:

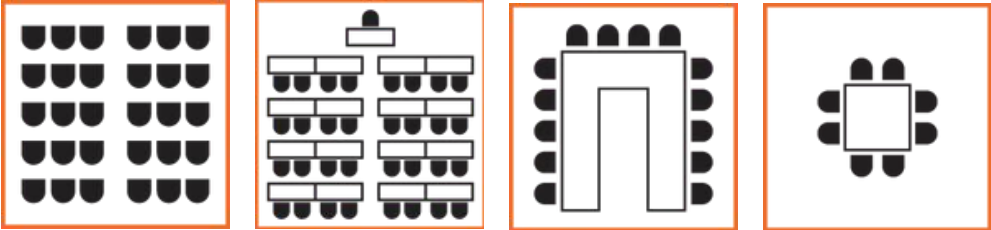

- > kitchen
- > showers & restrooms
- > flexible seating
- > access to the beach volleyball court

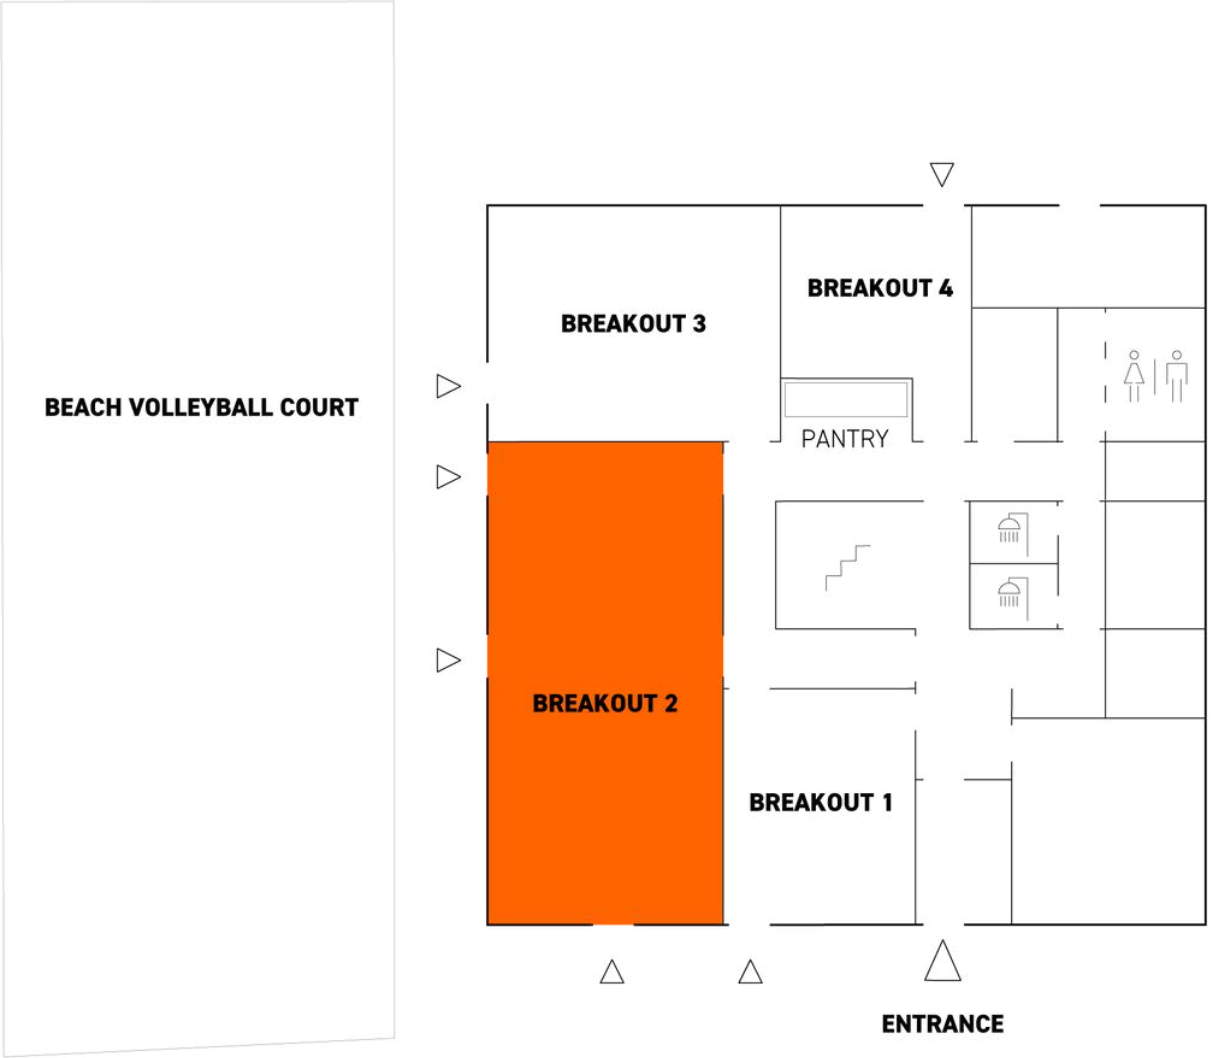

# FLOOR PLANS & AREAS

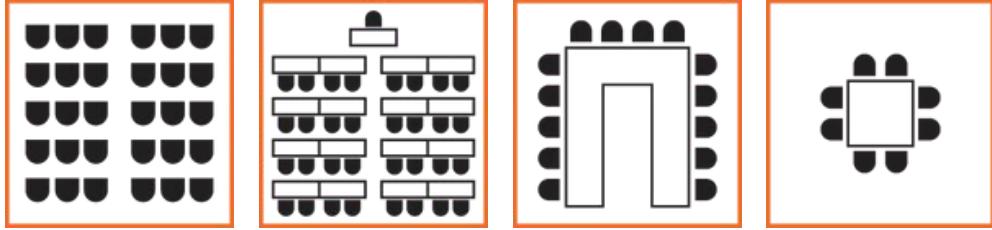

**Breakout 1: 31 sqm**
