# WERKSTATT

**EUREF** Event\*

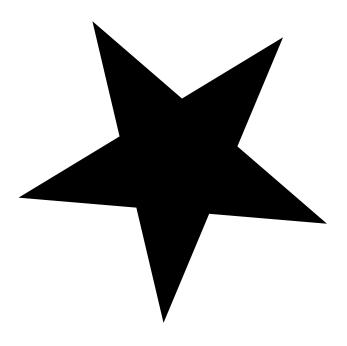

High ceilings, wide roller doors, a light-flooded event hall - the 'Werkstatt' (workshop) is the perfect stage for events with plenty of room for creativity: the open space concept allows it to adapt to a wide variety of event formats. It combines an industrial character with state-of-the-art technology.

A special highlight is the **covered outdoor area**, which offers additional space for meetings and discussions.

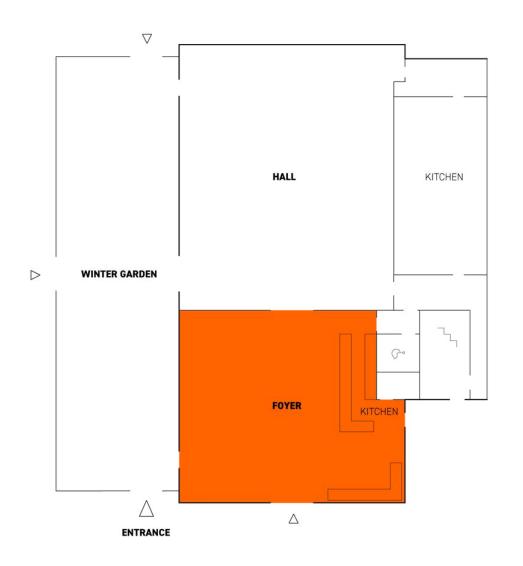

The location is in the immediate vicinity of the historic 'Wasserturm' (water tower) - embedded in an environment that combines innovation and sustainability. An inspiring creative space - flexible, urban and unique!

#### **BENEFITS:**

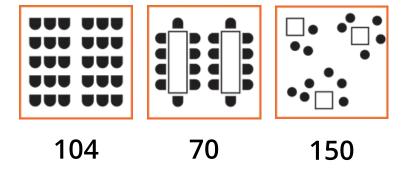

- ceilings heights up to 11 meters
- covered winter garden
- built-in catering equipment
